

True or False

Let's learn about inclusion!

Cut out the fact cards below following the dotted lines.

There are no wrong answers while you are guessing.

- ♦ Read the statement.
- ♦ Decide if it is true or false.
- ♦ Turn over the card.
- ♦ Talk about what you have learnt.

3 out of 10 people
with a learning disability
are in paid employment

1 out of 20 people
with a learning disability
live in a couple

Nearly all educators say
that teacher training does
not prepare them for
teaching children with
additional needs

5 out of 10 people
with a learning disability
said they take part
in exercise

1 out of 2 children
are removed from the
care of parents with a
learning disability

3 out of 10 children
with a learning
disability are bullied
at school
